PYC Summer 2015

Montreat Youth Conference – June 14-20, 2015

Located in Montreat, NC this conference will bring over 1000 youth together and provide an energizing atmosphere to encounter God through this year's theme "This is Our Story". We will participate in energizers, keynote speakers, singing, small groups and worship each day. We will stay together in a house to enjoy company of one another....and of course eat all of our meals there. This trip is for Current 8th Graders (Rising 9th Graders) - Graduated Seniors. 10 places are reserved & availability is first come first serve. (waiting list available.)

Cost for trip is \$250 for the week.

Mission Week – July 13-17, 2015

We will spend our time focusing on reasons we serve and places to serve here in our own home town. Monday – Thursday of this week will be a Day Camp at church which will consist of local mission opportunities and reflection activities in the youth room. Participants will need to bring a bagged lunch these days. Thursday afternoon we will leave for an over night trip to Wildwater Adventures in Long Creek, SC. There we will spend the night, participate in a 1/2 day canopy tour and a 1/2 day rafting. We will be home later Friday. This trip is for all youth. 20 spots are reserved and a waiting list will be available. You must participate in the missions to be allowed to attend the overnight trip.

Cost for Week is \$75

VBS Helper—July 27-31, 2015

Join you PYC friends as leaders to help make this year's Vacation Bible School one to remember for the children of our church and community. Each year over 100 children join here at Central to learn about being part of the community of believers. One of the big way's they learn is from having awesome mentors like you that can lead by example and show them the way. Volunteers arrive early (8:45 am) and leave a little later (12:15 pm) each day in order to be full time helpers. Contact Amy Rawlings or Barb Heintz to volunteer your time. If you have special scheduling please make that known up front so it can be accommodated.
